featuring
Matt Oliver

Trinity River Vision Authority

The Trinity River Vision is a master plan for the Trinity River in Fort Worth, Texas. It is underway now - connecting every neighborhood in the city to the Trinity River corridor with new recreational amenities, improved infrastructure, environmental enhancements and event programming.

Matt Oliver has worked in public relations and community outreach for the Trinity River Vision project since September of 2009. He serves as the media contact for TRVA, gives project updates to a wide range of organizations, manages print media projects and assists with the execution of events related to the project.
