

## Transportation & Public Works

# Industry Day

The City of Fort Worth and the Department of Transportation & Public Works will be hosting an Industry Day to discuss:

- How to pre-qualify for projects
- Information on the upcoming Request for Qualifications
- Updates to Standard Specifications
- Requirements and expectations for project management and project delivery
- Request for feedback from the design and construction community
- Networking

## ***When?***

**Friday, March 27**

**9-11 a.m.**

**Bob Bolen Public Safety Complex Auditorium**  
**505 W. Felix St.**

## ***Who should attend?***

- Planning, design and construction services consultants.
- Sub-consultants and subcontractors.
- City staff.
- Related organizations.
